

ATTACHMENT I

ADMINISTRATIVE RECORD INDEX INFORMATION FIELDS

- DOCUMENT NUMBER - indicates the first and last page numbers of the document. Both page numbers will be the same for one-page documents. The document number consists of a three letter site code followed by a three digit microfilm reel number and a four digit microfilm frame number.
- PARENT - indicates (for attached documents) the first page number of the parent document.
- DATE - indicates document date by month/day/year.
" / / " means no date was available.
- TITLE - indicates the title or an enhanced description of the document in parentheses.
- TYPE - indicates the document type.
- CONDITION - indicates whether the document is illegible, incomplete, a draft, has significant marginalia, is confidential or privileged.
- AUTHOR - indicates the author or primary originator and the author's corporate affiliation.
- RECIPIENT - indicates the addressee or primary recipient and the address's corporate affiliation.
- ATTACHED - indicates the first page number of each related document attached to the parent document, if any.
